E X P E R I E N C E

Consultant

Tata Consultancy Services, Bangalore, Dec 2021-Present

Sherwin-Williams Company primarily engaged in the manufacture, distribution, and sale of paints, coatings, floorcoverings, and related products to professional, industrial, commercial, and retail customers, primarily in North and South America and Europe

- Working on critical tasks and managing offshore team activities.
- Working on EDI Lean projects
- Working on complex map development ,Partner onboarding & ERP setup
- Regularly support CGS,CGB division & troubleshoot with vendors
- Helping different TCS account on EDI recruitment
- Identify upsell, cross-sell, and renewal opportunities and communicate with the higher management regularly

Technology Specialist

UST-Global Technology Ltd,Bangalore,Apr2020-Dec 2021

BJ's Wholesale Club(200+) is a leading warehouse club operator on the East Coast of the United States. This project is to make BJ'S vendor EDI compatible. Initial communication with Vendor to explain about EDI onboarding process

- Co-ordinate with SAP team for partner profile setup & masterdata configuration
- Analyze PO with Article, Club, UOM details in SAP (ME2L,ME2M,MM43)
- Co-ordinate with Vendor / EDI service provider, AP, Merchant for any kind of troubleshooting. Always target lower turnaround time and quick resolution. This approach helped on reducing onboarding process time and increase client satisfaction and BJ'S revenue.
- Create and present onboarding progress to higher management in data visualization tool (PowerBI). Data visualization helped them on reviewing progress quickly and plan accordingly. It reduces ambiguity and clear visibility on the project status .
- Co-ordinate with Vendor & BJ'S SAP team, GXS for smooth production movement.

R E C O M M E N D A T I O N

"Dipayan is a result driven person, delivering result and taking always in consideration the client's needs. Prompt to resolve and clarify when in doubt makes him a great person to work with"

--- **Marcela Ch. Alfaro**

Project Management Manager & Client Visibility Solutions for Damco America

"Always listen and delivered as per his promise! I enjoyed working with Dipayan!"

--- **Catherine Lee Putzeys**

Carrier account manager at INTTRA by EzOpen

I had the great opportunity to work with Dipayan in EDI. He is a quick learner, results driven, can handle simple to complex tasks, has a lot of knowledge in other areas as well. I would hire him.

--- **Lynne Ranallo**

Sr Application Dev(EDI) Analyst at BJ's Wholesale Club

My name is Susan Watson and I had the pleasure of working with Dipayan on an implementation with a large market vendor. Dipayan was very knowledgeable, attentive, and timely which in today's busy world is very much needed. His work ethic really showed during the implementation with working with all types of personalities and trying to address each of them in a manner of great honor. His job knowledge of his area was great there wasn't a question that he could not answer. I would love to have this guy on my team !!!

-----**Susan Watson**

Data Processing Supervisor at Durham Coca-Cola

EDI Coordinator

TechCom Solutions Pte Ltd, Kuala Lumpur, Apr 2019-Mar 2020
